Debit interest rate:

Debit interest will be charged at an
Annual Interest Rate of 35.9%.

Monthly cap on unarranged overdraft charges

The monthly cap on unarranged overdraft
charges for your current account is £60.

1. Each current account will set a monthly
maximum charge for:

(a) going overdrawn when you have not
arranged an overdraft; or

(b) going over/past your arranged
overdraft limit (if you have one).

2. This cap covers any:

(a) interest and fees for going over/past
your arranged overdraft limit;

(b) fees for each payment your bank
allows despite lack of funds; and

(c) fees for each payment your bank
refuses due to lack of funds.

Debit card transactions in any currency other than sterling

A Currency Conversion Charge of 2.75%
of the value of the transaction is applied
when you make a purchase using your
debit card in a foreign currency, or if you
make a cash withdrawal in a foreign
currency outside the UK using your debit
card. The currency conversion charge will
be shown on your statement as 'CCC'.

Transactions are also converted into
sterling using the Visa Scheme Exchange
Rate which can be found at
co-operativebank.co.uk/travel.

Cash withdrawal in a foreign currency outside the UK

We don't apply a charge for making a
cash withdrawal on your debit card (but if
you're making a cash withdrawal in a
foreign currency outside the UK, a
Currency Conversion Charge will apply -
see above).

If you use your debit card to purchase
foreign currency or travellers' cheques in
the UK, the way the merchant processes
the transaction may result in a fee being
applied to your account. If this happens,
please contact us.

Switching

If all your money is in one place, it makes it easier to
manage. We offer the Current Account Switch Service which
makes switching hassle-free. This allows you to transfer your
regular payments from another bank, on a switch date that
suits you. It is backed by the Current Account Switch
Guarantee. You can find out more information on how to
switch by visiting www.smile.co.uk/switch
